

NOTICE OF THE OPPORTUNITY FOR PUBLIC COMMENT

GEORGIA DEPARTMENT OF NATURAL RESOURCES ENVIRONMENTAL PROTECTION DIVISION AIR PROTECTION BRANCH

STATE OF GEORGIA
COUNTY OF MADISON
NOTICE OF DRAFT TITLE V OPERATING PERMIT

To All Interested Parties:

The Georgia Environmental Protection Division announces its intent to issue a Title V Air Quality Operating Permit to Transcontinental Gas Pipe Line Company, LLC – Compressor Station 130. The facility is located at 117 Winns Lake Road, Comer, Georgia. The primary purpose of this permit is to identify and consolidate existing State and Federal air requirements applicable to Transcontinental Gas Pipe Line Company, LLC – Compressor Station 130 and to provide practical methods for determining compliance with these requirements. The Georgia Environmental Protection Division (EPD) is preparing Title V Operating Permits in accordance with Title V of the Clean Air Act. This permit will be enforceable by the Georgia EPD, the U.S. Environmental Protection Agency, and other persons as otherwise authorized by law.

Transcontinental Gas Pipe Line Company, LLC operates several compressor stations in North Georgia and adjacent states. These compressor stations, also referred to as pump stations or boost stations, are located along the Transco gas transmission line. Natural gas fired combustion turbines and engines are used to drive compressor pumps which move the gas through the transmission line.

The draft permit and all information used to develop the draft permit are available for review. This includes the application and all other relevant materials available to the permitting authority. This information is available for review at the office of the Air Protection Branch, 4244 International Parkway, Atlanta Tradeport - Suite 120, Atlanta, Georgia 30354. Copies of the draft permit, narrative, and permit application will be available through our internet site <http://www.georgiaair.org/airpermit/html/permits/draft>. (Please note that the Internet is generally accessible from most public libraries in Georgia.)

If copies are desired, a copying machine for public use is provided by EPD at the Atlanta Air Protection Branch office. There will be a copying charge of \$0.25 per page. Copies will be made on a first-come, first-served basis. Files are available for review and copying 8:30 a.m. to 4:00 p.m., Monday - Friday, excluding holidays.

You are hereby notified of the opportunity to submit written public comments concerning the draft Title V Air Quality Operating Permit. You are also hereby notified that a public meeting, followed by a public hearing, will be held at 6:30 p.m. on February 2, 2012, at the following address:

Comer Elementary School
565 Gholston Street
Comer, Georgia 30629

During the public meeting, representatives from EPD will be available to discuss the proposed permit. Immediately following the public meeting, a hearing will be held to receive formal comments on the proposed permit. At the public hearing, anyone may present data, make a statement, comment, or offer a viewpoint or

argument either orally or in writing.

The Division, in making its final decision to issue the Title V permit, will consider all comments received on or prior to public notice deadline, as well as verbal comments made during the public hearing. Written comments may be submitted at the public hearing or mailed to: Mr. Eric Cornwell, Stationary Source Permitting Program Manager, Air Protection Branch, 4244 International Parkway, Suite 120, Atlanta, GA 30354. The deadline for written public comments is February 9, 2012.

Following the public comment period, a proposed permit, incorporating any changes resulting from comments received during the public comment period, will be sent to U.S. EPA to undergo a 45 day review, in accordance with 40 CFR 70.8. Information pertaining to U.S. EPA's review period can be found on their website at www.epa.gov/region4/air/permits.

After the U.S. EPA's comment period has expired, the EPD will consider any comments made by U.S. EPA, make any necessary changes, and then issue the Title V Operating Permit. Copies of the final Title V Operating Permit, comments received, EPD's responses to comments, and any other relevant information will then be made available for public review during normal business hours at the office of the Air Protection Branch. A summary of comments and any changes made to the final permit will be found in an addendum to the narrative. A copy of this narrative and the final Title V permit will be added to the information already available at the Internet address given above.

For additional information, contact Mr. Eric Cornwell, the manager of the Stationary Source Permitting Program, at the Atlanta address, or by phone at 404/363-7000. Please refer to this notice when requesting information.
